FINAL STATEMENT OF VOTES
JUNE 7, 1994 CONSOLIDATED PRIMARY ELECTION

PREFACE

Following is the Final Statement of Votes cast in the June 7, 1994 Consolidated Primary Election in San Francisco.

There are two lines for each precinct. The first line is the number of absentee votes and the second line is the number of polling place votes. In order to determine the total turnout for a precinct, you must add the absentee and precinct votes together. The percentage turnout listed for each precinct is turnout at the polls and does not include the absentees. For the party contests, the registration listed for each precinct is the number of registered voters in that precinct for the relevant party only. This will allow you to determine the party turnout and percentages. Sections reporting the non-partisan contests and propositions show the total number of registered voters.

There are three mail-ballot precincts in this election: 3142, 3199, and 3899. These precincts have no polling place, and all voters received ballots in the mail. There are also three lines summarizing the unsorted ballots: Header Type 1 (12th Assembly District, 8th Congressional District), Header Type 2 (12th Assembly District, 12th Congressional District) and Header Type 3 (13th Assembly District, 8th Congressional District). These are primarily absentee ballots which were turned in at polling places on election day and counted after all of the precinct ballots on election night. These ballots were sorted according to ballot type (district) but not sorted into precincts before counting.

Included in this document is the final Summary Report, which follows the Statement of Votes. Also included is a list of precincts showing ballot type and neighborhood.

For additional information regarding election results, and for copies of this report on diskette, please contact Gregory Ridenour, Administrative Manager, at (415) 554-4382.

Thank you for your interest in our election. We hope that this document is helpful to you. If you have any suggestions for improving our format for future elections, please let us know.
